Home-Start Wirral Hub

Toy Library Service

Home-Start Wirral Toy Library loans toys suitable from birth to 5 years to families, carers (including child minders and foster parents), groups and other voluntary and statutory organisations.

### What is a Toy Library?

A toy library is a place where people can borrow toys just like borrowing a book from a public library. You can try out all kinds of toys and play equipment, that you may never consider buying. You can experiment with toys before you or your group decide to add them to your own collection.

We have an extensive range of toys available and they can be accessed 5 Days a week at the Hub.

### What sort of toys can I borrow from the Toy Library?

- Baby
- Construction
- Creative
- Imaginary
- Musical
- Puzzles
- Physical

### What does it cost?

Our service is absolutely free, all that we ask is that you take care of the toys.

We clean, count and check all toys before you take them, but please tell us immediately if there is a problem.

### How do I join the Toy Library?

To join, complete a membership form at the Hub. Once your application has been processed you will receive a membership number, and then you are free to choose any of the toys available.

Toys can be loaned for 4 weeks at a time, if you wish to keep the toy on loan for longer, please contact us to let us know. Some toys may be in high demand and may only be loaned for a shorter period of time.
