Autumn 2017

### **Home-Start Wirral AGM...**

**Thank you to everyone that managed to attend our Annual General Meeting this year. We love this event as it gives families and volunteers the chance to share their journey at Home-Start Wirral with others. It was an emotional event; all of the stories shared were heartfelt and moving. There were plenty of tears & tissues!**

**We invited a number of different agencies along to share our story with them and the feedback received from them was amazing.... we really appreciate everyone who was brave enough to speak on the day.**

**An extra thanks to everyone at Mayer Hall for hosting the event.**

### **Funding News....**

**We were lucky enough to have recently been donated £15,000 by the Freemasons, and £9,980 from Morrisons. These generous grants will enable us to support to a larger number of families across the Wirral.**

**A massive thank you to the Freemasons and Morrisons!**

## Our Volunteer Champion

Hello Volunteers!!

Welcome to this section of our latest Newsletter. As always, it's been a busy time over the last few months with lots of developments.

Back in January the HSW staff and Board of Trustees had an 'Away Day' at St. James Centre in Birkenhead. This was a chance of everyone (under the guidance of an external, specialist consultant) to consider ways we could diversify our sources of finance in order to provide a more stable income for our charity. As you may remember from previous Newsletters, it has been a very difficult time as our traditional funders are all under pressure themselves. Unfortunately, on top of reducing income we are facing increasing needs for our services.

The outcome of the Away Day was that we needed to identify new, potential sources of income in order to carry on the good work with the families we support. In light of the excellent progress achieved by Sara Forfar and her team of volunteers in our charity shop in Claughton, it seemed an obvious choice to try to open another shop. Finding a suitable (and affordable) venue, however, proved difficult. After much investigation into possible sites, I'm delighted that we are now 'up and running' in our new shop in Neston. Thanks to all the staff and volunteers who made it possible to open to the public on Friday, 15<sup>th</sup> September. I called in to see Sara on the first day and was really impressed with the premises. Fingers crossed that this will be as successful as our first shop!!

On a personal note, although I am still both a volunteer and trustee of HSW, I'm currently taking a short break from my volunteering duties. My mum recently celebrated her 90<sup>th</sup> birthday and I'm spending more time with her at the moment. I am still, however, the trustee for the volunteers so please feel free if you want to contact me to discuss anything. Conversations will be treated in a confidential manner and I can be contacted either on my mobile (07970 652690) or my email address [johnjones@thewo.org.uk](mailto:johnjones@thewo.org.uk)

## Charity Shop Update...

Busy times for Home-Start Wirral as we opened our second shop in September. The new premises, on 14 Brook Street in Neston was given to us by Centric Projects, a charity that takes commercial premises that have been left empty or neglected and matches them to charities needing space. It's a great location and came at the perfect time for Home Start Wirral as we also started a new course of preparation in Neston recently too so we'll be supporting families in the area.

The shop has received a really positive response - with five new volunteers signed up already and lots of customers telling us how pleased they are to see an old empty unit being brought to life for a great cause. Please do pop in and see us or drop off a donation - there's free parking close to the shop and Neston is a lovely old market town that's really worth a visit.

We'd also like to say how proud we are of shop volunteers Lyndsay and Heather. They both spoke really eloquently about how Home Start Wirral support had helped them through difficult times at our AGM in September. We are lucky to have such inspiring women volunteering at our charity shop.

Congratulations to shop volunteer Dave Smallman who celebrates his 50th Birthday, Bill Bonner who was 80 recently and to Heather White who is expecting another baby.

Did you know that you could show your support for our charity through eBay? Simply visit our profile page on eBay <https://charity.ebay.co.uk/charity/Home-Start-Wirral/63743> and click "Add to My favourites".

You can also search for us by going to [charity.ebay.co.uk/search](https://charity.ebay.co.uk/search)

Once you've picked us, you'll be able to easily donate to benefit us, whenever you buy or sell on eBay. What's more, by picking us as your favourite charity you could help us win up to £7,000. That's because this October, eBay for Charity will be counting every time a charity is selected as a favourite. The charities with the most favourites at the end of the month will win cash prizes.

So make us your favourite charity on eBay and invite your family and friends to do the same too. Every vote counts!

Mandy Edwards - our shop assistant has been busy finding places to put our fundraising orange boxes. There are 17 businesses on Wirral helping us to raise funds. If you have a local corner shop, newsagents or convenience store that would let us pop a box on their counter please get in touch. It would be great to have 20 boxes by the time we send our next letter out.

## *Morrisons Bag Pack....*

**Thanks to everyone that attended our fundraiser bag pack at Morrisons  
We managed to raise £200!!**

***THANK YOU!!***

We are opening our very own shop selling household items such as washing powder, etc. at a fraction of the usual cost. The items are coming from an organisation called HisChurch and the products we receive will vary from delivery to delivery. This shop is for the use of families, volunteers and others in the community. This shop will not be manned; however we will have an honesty box and a recommended price list so please bring change with you on your next visit to the Hub and save some money on your weekly shopping bills.
